

This guide is intended for students completing the Psychology A.A. Transfer Pathway. Students who do not intend to complete the 60-credit program should contact [Bethel's Transfer Evaluation Specialist](#) for course selection advice. Completing the Minnesota Transfer Curriculum will waive most general education requirements. All courses must be completed with a "C" or better to transfer.

The table below lists the courses that have approved equivalencies at Bethel University or fulfill requirements for the B.A. in Psychology degree and most general education graduation requirements.

| Anoka-Ramsey course   | Credits | Bethel University CAS course                                |
|---|---------|---|
| PSYC 1110 General Psychology  | 4       | PSY 100 Intro to Psychology                                 |
| PSYC 2280 Statistics for the Behavioral Sciences  | 4       | PSY 230M Intro to Statistical Methods & Experimental Design |
| Choose one of the following:<br>PSYC 2235 Lifespan Development<br>PSYC 2215 Child & Adolescent Development<br>PSYC 2225 Adult Development                                   | 3-4     | Developmental Psychology Course                             |
| PSYC 2260 Social Psychology   | 3       | PSY 215 Social Psychology                                   |
| Goal area 1 - ENGL 1120 <b>OR</b> 1121 College Writing & Critical Reading<br><b>AND</b><br>CMST 1110 Intro to Communication <b>OR</b> CMST 2220 Interpersonal Communication | 7       | Meets GES 160 Inquiry Seminar requirement                   |
| Goal area 2 – fulfilled with MnTC   |         |   |
| Goal area 3- (two courses required; one from each of two departments; one must include a lab)   | 8       | Meets Laboratory Science (D) course requirement             |
