

2009-2010 Dependent Verification Worksheet

Your application was selected for review in a process called "Verification." You must complete this process to receive financial aid from Bethel University. In this process, the Office of University Financial Aid will be comparing information from your Free Application for Federal Student Aid (FAFSA) with **signed** copies of your and your parent(s)' 2008 federal tax forms, or with W-2 forms or other financial documents. Please complete this verification form and submit it to the Office of University Financial Aid as soon as possible, so your financial aid won't be delayed.

What you should do:

- Complete and sign this worksheet—you and at least one parent (incomplete forms will be returned to the student, and will delay the process of receiving financial aid).
- Submit the completed worksheet, **signed** tax forms (along with all schedules and W-2's), and any other requested documents to the Office of University Financial Aid.

The Office of University Financial Aid will compare information on this worksheet and any supporting documents with the information you submitted on your FAFSA. If there are differences between your FAFSA information and your financial documents, the Office of University Financial Aid will make the necessary corrections to your FAFSA.

If you do not have a copy of your 2008 federal income tax return, you may request a tax transcript from the IRS by calling 1-800-829-1040. If you have extenuating circumstances which prevent you from completing your federal tax returns before April 15, 2009, please call the Bethel University financial aid office and speak to a financial aid counselor.
