When facing the cares and problems that come our way, wouldn't it be nice to plug in a weed-whacker and "get the garden growing?"

Too often the beautiful blooms of everyday life are overcome by weeds. By clearing out busyness and bitterness, we can experience the true beauty God has promised. Peggy Kendall's insights on this subject will make your day—and life—a bit more promising.

Celebrate the beauty of spring and the warmth of each other's presence at the Bethel Women's Spring Celebration! Enjoy a delicious lunch, beautiful music, and a message sure to inspire.
