

CAREER DEVELOPMENT & CALLING

Last full month!

It is the last full month of classes before summer break and/or graduation! Our office continues to offer events and resources to help you succeed in your Career Development journey! This month's highlight is interviewing.

Interview Prep: Preparation is KEY to feeling prepared and succeeding in your job/internship/grad school interview prep. Here are a few resources to help:

- [Career Development & Calling Interview Page](#) - includes several resources
- [LinkedIn Interview Question Guide](#)
- [The Muse Interview Guides](#)

Interview Room: Have a virtual interview and need a neutral space? You can sign up to use our private office space (CC 322C). Email career-development@bethel.edu to check availability and sign up! *Bonus: for in person interviews, we also have padfolios you can check out to hold all your interviewing documents (resume, notes, references, etc.)*

Coming in May: Our office will be hiring Career Ambassadors (student workers) for the Fall 2023-Spring 2024 school year! Keep a lookout on the [on campus job page](#) for the [application](#). Main responsibilities will include administrative tasks, email management, scheduling and marketing.
