

CAREER DEVELOPMENT & CALLING

Meet our team!

Jan Mrozinski has joined our team! Jan has served at Bethel for 6 years as adjunct faculty in CAPS/GS and CAS Special Education, as well as with the BUILD program. We are excited to add Jan's expertise in outcomes and curriculum to our team.

All three of our Career Specialists work with undergraduate and graduate students as well as recent alumni in the areas of career exploration, resumes, networking, interview prep, and more.
