

BETHEL UNIVERSITY HOUSING & MEAL PLAN CONTRACT

This contract contains two parts. Part A consists of the Bethel University Housing Contract. Part B consists of the Bethel University Meal Plan Contract. Part A and Part B are presented as a single document because housing selection dictates both meal plan requirements and meal plan eligibility. The signer of this contract certifies that he or she has read all of the stipulations in both Part A and Part B of this Contract and agrees to comply with each one or be held in violation of this Contract.

PART A – BETHEL UNIVERSITY HOUSING CONTRACT

This is a housing occupancy contract (“Contract”) made by and between the student whose name appears at the end of this Contract (“Student”) and Bethel University (“University”). It grants to the Student permission to occupy a residence hall or apartment in University housing for a specific period of time. This Contract is subject to the official opening and closing dates of the residences, and is subject to the stipulations listed below. **THIS CONTRACT IS LEGALLY BINDING.** It incorporates and supports the terms of the Bethel University Academic Catalog and Bethel University Student Handbook.

1. **CONTRACT PERIOD:** This contract is effective upon signature by Student and, except as otherwise provided herein, shall be binding for the full or remaining portion of the academic year. If at any time the Student ceases to be enrolled at the University, the Student’s right to occupy University housing shall automatically and immediately terminate. Student shall remain liable for housing costs for the remainder of the contract period, subject only to Student’s right of cancellation under paragraph 3 of this contract. A Student who has lost the right to occupy University housing for any reason must vacate the assigned housing unit within 24 hours after notice to vacate is given to Student by any reasonable means. Failure to vacate the housing unit promptly may result in further consequences against the student.
2. **CHECKOUT PROCEDURES:** Student must clean the room, properly check out of the room as described in the [University Student Handbook](#), and vacate the room no later than 24 hours after your last final or by noon on commencement day, whichever comes first. Students who are graduating are given a one-day extension to stay on campus. Violation of any provision of this Contract will result in checkout fines.
3. **HOUSING CONTRACT CANCELLATION:** This Housing Contract must be canceled by Student in writing at residence-life@bethel.edu. A Cancellation Fee will be charged to Student per the following schedule:
 - \$150 Cancellation Fee if canceled before July 1 for the Fall/full-year Contract.
 - \$300 Cancellation Fee if canceled on or after July 1 for the Fall/full-year Contract.
 - \$150 Cancellation Fee if canceled for January session and/or any part of the spring semester portion of the Agreement.

Cancellation of the Contract within the time frame of a term will follow the [University’s refund schedule](#). The University reserves the right to cancel this Contract for violation of any provision of this Contract.

4. **ON-CAMPUS LIVING REQUIREMENT:** All CAS students are required to follow and abide by the [On-Campus Living Requirement policy](#) set forth by the University. Failure to follow this policy could result in charges and/or fines.
5. **OCCUPANCY:** This Contract secures space in University housing. The University reserves the right to change the housing assignment at any time and for any reason at the sole discretion of the University. The Student must be enrolled in at least twelve credit hours per semester (during January Session: one credit) in order to occupy housing.
 - **EARLY OCCUPANCY** (i.e. before official opening dates) is strictly forbidden and subject to fine assessment unless the student is part of a Bethel sponsored group that is expected to arrive early.
 - **BREAK OCCUPANCY** (Christmas Break) This Contract does not cover housing during Christmas Break when campus housing is officially closed (see catalog for inclusive dates) unless student has official approval from Residence Life to remain on campus. Student entry into on-campus rooms when housing is officially closed will be considered breaking and entering and/or trespassing. Approved entry into your on-campus room or suite during these periods will be accommodated only with sound rationale and is subject to denial.
6. **ROOMMATES:** Residence Life has the right to assign Students to any vacancy in University Housing for any reason. Current residents will be given (at a minimum) a 24-hour notice of any new roommates assigned to the space.
7. **ROOM TRANSFERS:** All room transfers must follow the [Room Transfer Procedures](#) as described in the Bethel University Student Handbook. All room transfers require the prior approval of the Associate or Assistant Dean for Residence Life.
8. **MEAL PLAN REQUIREMENTS:** All students in University housing, with the exception of North Village apartments, are required to have a meal plan as a condition of this housing Contract. Refer to the Meal Plan Contract (Part B of this document) for details regarding meal plans that are available.

9. **HEALTH FORM:** Student is expected to submit the required immunization form with the University Health Service Office prior to moving on campus. If the Student fails to submit the form he or she will not be able to register for either semester.
10. **RESIDENCE INSPECTION:** In case of a health or safety emergency, or in circumstances where there is reason to believe that state or federal laws or Bethel University policies have been violated, the University has the right to immediately enter and inspect or authorize inspection of rooms and apartments without notice. Refer to the University's ['Search and Seizure'](#) policy for additional information. Student will be notified of periodic routine room inspections for general orderliness and agrees to provide access at all reasonable hours for service and repairs. Formal room inspections will be conducted after Fall and Spring semesters. Residence Life Staff will provide further information to this process for Student to follow and fines will be assessed based upon Residence Life Staff reviews. For areas that are deemed communal and/or multi use, fines assessed to these areas will be split evenly amongst all residents of the room.
11. **DAMAGES:** The University is not responsible for loss or damage to personal property from any cause. The University recommends that Student obtains a renters insurance policy. The Student will be charged for any damage to his/her room, apartment and other common living areas which is beyond normal wear charges will be split between all roommates. In the case of unidentified damage or vandalism, all Students living in an identifiable area (i.e., room, suite or apartment; floor; wing; building or hall) near the damage will be charged equally or divided based on evidence to the case. All damage and fine charges are subject to the Student Life Office.
12. **SUB-LEASING/ASSIGNMENT PROHIBITED:** Student may not lease, sublease, rent, or otherwise allow any person to occupy Student's assigned housing unit in exchange for monetary or any other compensation, without regard to the length of the proposed occupancy. Student may not assign Student's rights under this Contract to any other person.
13. **FIRE CODE REGULATIONS:** The University considers fire code violations to be a serious threat to both personal safety and property. Therefore, anyone found to be in violation of the fire code may be immediately subject to one or more of the following: 1) Removal of code violation items; 2) Charges for damages; 3) a fine of up to \$250; 4) University disciplinary procedures; 5) governmental enforcement and penalties. Refer to the Bethel University Student Handbook for specific violations and applicable penalties.
14. **ASBESTOS:** A very minor amount of asbestos (two to five percent) is present in some of the building materials used to construct the North Village apartments. An environmental consultant retained by the University has determined that the premises are safe and that no significant health or safety risk is posed by the limited level of asbestos in these units.
15. **EXCEPTIONS:** Exceptions or modifications to any of the provisions of this Contract are not valid unless approved by the Associate Dean for Residence Life in writing.
16. **RATES:** Housing rates are frozen for all continuing students for the giving academic year. A student's housing rate will not increase provided the student lives in campus housing every semester. Rates are included below:
