CCCU Spiritual Life Items

2011-2023

Background: Every other year CAS students are asked to complete the Ruffalo Noel-Levitz Student Satisfaction Inventory (SSI) during Advising/Assessment Day. In this survey students are asked to rate how important an item is to them on a 1 to 7 scale (7 highly important). Then students rate how satisfied they are with that item, again using a 7-point scale (7 very satisfied). Over 95% of the time the importance rating is higher than the satisfaction rating.

Coalition for Christian Colleges & Universities (CCCU) institutions add a set of spiritual life items to this survey. Below are the student responses to those items from fall 2011 to fall 2023. For each year we can compare our student responses with those from students at other CCCU institutions.

Summary of Results

Compared to 2021, current Bethel students gave higher satisfaction ratings on all five of the CCCU spiritual life items. In addition, the 2023 satisfaction ratings for the items ***This campus provides adequate opportunities for involvement in ministry*** and ***Given where I am spiritually right now, this campus is a good "fit" for me*** were the **highest they have been over the past 12 years.**

Overall, the results were similar to the CCCU benchmark for all items.

Past statistical analyses have revealed that Bethel student satisfaction ratings on this latter item is one of the top predictors of their overall satisfaction with their educational experience at Bethel.
