

Bethel CAPS/GS – Competing Schools

Of the 1,933 prospective students who applied for admission to CAPS/GS between June 2022 and May 2023, Student Tracker was unable to identify enrollment records for 807 students. It is assumed these students did not enroll elsewhere. For those who applied but did not enroll at Bethel, Student Tracker identified 555 students who enrolled at other schools, as follows: (only schools with 4 or more are listed).
