Your Fire Evacuation Site

IN AN EMERGENCY

ALWAYS:

REPORT INCIDENT

- First call **911**.
- Provide as many details as possible about incident.
- Call Safety and Security (**651.638.6400**).

FOLLOW INSTRUCTIONS

- Bethel alerts
- Law enforcement
- Bethel emergency responders

HELP YOURSELF AND OTHERS

- Be alert and prepared.
- Assist those in need of help.
- Wait for the "all clear."

WAYS TO TAKE ACTION:

LOCKDOWN

your space

EVACUATE

to rally point

SEEK SHELTER

in nearest shelter area

OVERCOME

evade, defend, help others

LOCKOUT

by securing the perimeter

MEDICAL EMERGENCY

- Do not move the person unless their life is in danger.
- Administer first aid/CPR.

SUSPICIOUS BEHAVIOR

- Get an accurate description.
- Contact Security and Safety.
 - Do not confront person.
 - Do not obstruct or block person's way.

FIRE

- Use nearest exit to evacuate to rally point.
- Do NOT use elevators.
- Activate fire alarm.
- Close all doors as you leave.

HAZARDOUS MATERIALS

- If body is exposed to material, seek eyewash or emergency shower.
 - If necessary, evacuate.
- Don't clean or disturb scene.
- Don't use light switches, cell phones, or anything that could cause a spark.

SEVERE WEATHER

- Move to shelter area.
- Avoid windows and skylights.
- Make sure all doors are closed.

SUSPICIOUS OBJECT

- Contact Security and Safety.
- Do NOT touch or disturb the object.
- Notify others and calmly leave the area.

ACTIVE THREAT

- If you can, safely evacuate and report threat.
- If you can't evacuate, seek shelter, lock all doors, shut off lights, and close blinds. Hide under a desk or table. Silence your phone.
- If you are not in the location of the threat, remain indoors or seek shelter in the nearest building.
