\*1 Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)

\*2 MN basic skills tests (MTLE) required for full admission to the Education Department.

\*3 The Education Department offers interim trips that meet the U requirement - EDU236UZ or EDU204UZ. See Education Abroad Options.

This program assumes a student will use BIO104D and EDU317GZ to meet the general education Laboratory Science and comparative Systems requirements.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
