^{1.} Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.

This program assumes a student will use MAT124M or MAT207M to meet the general education mathematics requirement.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
