1. Students with previous experience in Spanish take a placement exam to determine which class is appropriate for their level of language competency. The class indicated by this exam should be taken during their first semester at Bethel.
2. Approval into course may require testing or online pre-work with department approval.
3. Double majors should consult with adviser for the second major to avoid sequencing problems.

All language courses 102 level and higher will meet the Language General Education requirement.

The intention of this academic plan is to provide an overall guide. **STUDENTS SHOULD LOOK CAREFULLY AT COURSES WITH LIMITED OFFERINGS BEFORE DEVIATING FROM THIS PLAN.**

Students seeking licensure in the State of Minnesota with a specialty in a world language who are not native-speakers of that language are required to demonstrate Intermediate - High level speaking proficiency as defined by ACTFL Proficiency Guidelines and tested via the Praxis II test. Students are expected to have an extended immersion experience in a country where their language of study is the primary language.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
