<sup>1.</sup> Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)

## This program assumes a student will use COM310K to meet the general education Science, Technology, and Society requirement.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.

<sup>2.</sup> Student must meet with director of internship and placement at least two terms before beginning internship.
