- 1. Students must complete through the second semester of a first year language course or equivalent (Check the catalog for details of this option.)
- 2. MN basic skills tests (MTLE) required for full admission to the Education Department.
- 3. The Education Department offers interim trips that meet the U requirement EDU 236UZ or EDU 204UZ. See Education Abroad Options.

This program assumes a student will use BIO 104D and EDU 317GZ to meet the general education Laboratory Science and Comparative Systems requirements.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
