Total Credits 122-128					

1. Students must complete through the second semester of a first year language course or equivalent.

2. Check catalog course list for details.

This program assumes a student will use PSY230M to meet the general education Mathematics requirements.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
