  - All language courses 102 level and higher will meet the Language General Education Requirement.
  - This program assumes a student will use EDU317GZ and SPA310U to meet the general education Comparative Systems and World Cultures requirements.
  - Students seeking licensure in the State of Minnesota in a world language who are not native speakers of the language are required to demonstrate Intermediate - High level speaking proficiency as defined by ACTFL Proficiency Guidelines. Students are required to have an extended immersion experience in a country where their language of study is the primary language. Upon return, students are required to demonstrate proficiency on the OPIC.
  - Approval into course may require testing or online pre-work with department approval.
