4. All language courses 102 level and higher will meet the Language General Education requirement.

5. This program assumes a student will use EDU317GZ and SPA301U to meet the general education Comparative Systems and World Cultures requirements.

6. Approval into course may require testing or online pre-work with department approval.

Students seeking licensure in the State of Minnesota in a world language who are not native-speakers of that language are required to demonstrate Intermediate - High level speaking proficiency as defined by ACTFL Proficiency Guidelines. Students are required to have an extended immersion experience in a country where their language of study is the primary language. Upon return, they are required to demonstrate proficiency on the ACTFL OPIC.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
