1. Students with previous experience in Spanish take a placement exam to determine which class is appropriate for their level of language competency. The class indicated by this exam should be taken during their first semester at Bethel.
2. All Spanish majors must have a semester-long experience in a Spanish-speaking setting outside the United States. Courses taken during the semester abroad are determined by year of study and student's level.
3. Double majors should consult with advisor for the second major to avoid sequencing problems.
4. All language courses 102 level and higher will meet the Language General Education Requirement.
5. This program assumes a student will use SPA301U to meet the World Cultures requirement.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 25 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
