

## **Interim Professional Development Release**

A CAS faculty member is given a 3.4 TEU professional development release the first year they are in a tenure track (TT) position.

For faculty who are hired into a TT position this is the first year of employment.

Faculty who were hired into term positions will be given the release the first year their position is a TT position.

Faculty with Associated Status are eligible for interim leave at the completion of 24 courses (of which three must be in interim).
