

Loads: Overload and Adjunct Limit

All faculty loads, full-time and adjunct, will be calculated on a combination of courses taught in the College of Arts & Sciences (CAS), and in the College of Adult & Professional Studies/Graduate Programs (CAPS/GS). Benefits will be based upon the combined load. A full-time faculty load is 23.8 TEUs.

1. Full-time faculty members may teach a maximum overload of 10.2 TEUs in any combination between the CAS and CAPS/GS courses in the academic year (September through May).
2. Adjunct faculty members may teach a maximum of 17 TEUs in any combination within the academic year (September through May). Summer work in CAS and CAPS/GS will be contracted separately.
