

# Enrollment Timeline

As you prepare to graduate high school, just think of all the things you've learned as a PSEO student at Bethel. Chapel times. How to register for classes. Time management. Favorite DC foods. And that's only the beginning. Here's what you have to do to continue your college experience as a Bethel Royal:

1

## SPRING MN STATE FORM

Complete the spring semester state form and submit it to your PSEO admissions counselor at Bethel.

## RE-APPLY

Submit the Returning Royal Application to return to BU! Because we already know you're a great student, you don't have to go through the full application process.

2

## REGISTER FOR SPRING

Meet with your academic advisor at Bethel so they can remove any holds. Check in with your high school counselor to ensure you're fulfilling graduation requirements!

## FAFSA

This is the first step in applying for financial aid. FAFSA opens October 1.
