

Core Group Locations | [Friday, August 27, at 9-10:30 a.m. plus meal meetups](#)

Your core group is your key to success during Welcome Week. Find your core group number on the back of your Welcome Week nametag, then find your location below. Your group includes about 15 other new students and is led by an upperclass student. Friday's core group meeting includes a resource tour—you'll visit all the must-know places on campus! You'll also gather at your location as a group before heading to the DC for meals. See the Welcome Week schedule for your meal meetup times.
